Peripheral Nerve Surgery

Patty K. Young, M.D and Premier Plastic Surgery of Texas: Invested in Your Care

## Facility Relationships

Dr. Patty Young has a financial interest in medical facilities in the area. These facilities and Dr. Young are committed to providing excellent medical care to our patients in a safe, high quality, caring environment. Her financial interest in these facilities often provides the doctor a voice in administrative, clinical and operational policies. This involvement helps ensure the highest level of patient care and customer service. Patients of Dr. Patty Young always have the option of utilizing an alternate health care facility or provider. Please ask one of our representatives for a list of alternate facilities should you desire. Dr. Young would welcome any questions regarding this aspect of her patient's care.

The facility with which Dr. Young and/or Premier Plastic Surgery have a financial interest is the Surgery Center of Plano.
